

7/15/2020

On behalf of Albany Rods and Kustoms, I would like to take a moment to thank everyone for your support of the Adirondack Nationals.

Many years of hard work with the Village of Lake George, Fort William Henry, our volunteers, past members and current members has been put into hosting this event every year.

We know many of you plan your vacations to Lake George during our car show weekend. If you still plan to travel to Lake George during this time, we ask that respect and follow all guidelines and local laws that are in place.

With your help on these matters, Adirondack Nationals, car show participants and spectators will be welcomed back for many years by the Village of Lake George, Fort William Henry and the residents of Lake George.

Stay healthy and safe and we will see you next year at the "Adirondack Nationals" 2021, always the weekend after Labor Day.

Thank you,

Mark Ingleston

Chairman, Albany Rods & Kustoms
